  - ◆ Printers
  - ◆ Etc.

# Need to Know

## There are 4 wireless networks at each school.

- ◇ (School Acronym)-Wireless (Connect to this with Your Personal Devices)
  - ◇ Example – GHS-Wireless, FES-Wireless, Etc.
  - ◇ **STOP!** Make Sure you have completed the initial 1<sup>st</sup> log in to your Teacher laptop using your new username and password before trying to connect personal devices.
  - ◇ To use this network – It will ask for a username and password.
    - ◇ Your username and password is the Same as your computer login. (The beginning of your K12 and the password to your K12 email. )
- ◇ TCS-Students – This is the student/parent network. Speeds are throttled. The password is bearcats
- ◇ TCS-Staff – For Traveling staff ( contact a member of the Technology Team for use)
- ◇ (School Acronym)-Mobile – For TCS iPads
